For the 2021 model year, the Lexus RX 450h adds Blind Spot Monitor (BSM) and Rear Cross Traffic Alert (RCTA) as standard across all vehicle grades. Guests will also notice the addition of the standardization of power folding auto dim mirrors as they back up in the parking lot and navigate lane changes. With the addition

of an optional wireless charger, the 2021 Lexus RX 450h continues to provide enhancements based on dealer and guest feedback.

The RX 450h continues to serve as powerful reminders of the brand’s hybrid leadership, with 308 combined system horsepower for powerful performance and impressive EPA-estimated 30 combined MPG for RX 450h.
