BEIJING, China (March 29, 2017) Lexus announced today the refreshed NX luxury compact crossover will make its global debut at the upcoming Auto Shanghai 2017.

As the nimble, urban crossover of the Lexus lineup, NX has exceeded customers' expectations globally since the model's launch three years ago. With its blend of expressive styling, a spacious package that offers comfort and safety, along with a superior dynamic driving experience, NX succeeded in helping Lexus grow globally. Now, with an updated exterior design, and interior enhancements that add convenience and functionality, the NX is poised to meet the needs of global luxury consumers.

The Lexus press conference will take place on April 19 in Hall 6.1, National Exhibition and Convention Center (Shanghai).
