TORRANCE, Calif. (Dec. 9, 2013) – Designed from the asphalt up, to strike at the heart, the newest Lexus F model will debut at the January 2014 North American International Auto Show in Detroit.

Engineered from scratch, one performance layer at a time, the newest F model promises a bold, gritty, experience synonymous with the famed Lexus F heritage.

The Lexus press conference will be shown live online at www.lexus-int.com/. Follow the hashtag #AsphaltUp for more developments.
