

All-New Lexus ES Luxury Sedan to Make World Debut at 2012 New York International Auto Show

March 28, 2012

TORRANCE, Calif., March 28, 2012 – Lexus will reveal the all-new ES luxury sedan on Wednesday, April 4th, in conjunction with the New York International Auto Show.

The sixth-generation ES model introduces a progressive new design featuring the Lexus signature spindle grille and a new dynamic driving experience.

The Lexus press conference will take place on Wednesday, April 4th at 11:20 a.m. EDT at the New York International Auto Show. It will be on display in the Lexus exhibit from April 6-15, 2012.
