

# 2020 Lexus RX

October 10, 2019

New for 2020, the RX line is the first to receive Android Auto integration, in addition to in-car connected technology applications from Apple CarPlay® and Amazon Alexa. Guests can seamlessly interact with their smart device of choice through familiar on-screen apps on the optional 12.3-inch touchscreen or standard 8-inch touchscreen in all 2020 RX models.
