Concept vehicles are typically created to generate excitement for the enthusiasts, but sometimes, it's the enthusiasts and their vehicles that give life to the concept. The Lexus GXOR Concept (GX Off-Road) is fueled by the passionate Lexus GX owners that have discovered and embraced the SUV's perfect combination of

ultimate luxury and unrivaled off-road capability.

To all of the GX enthusiasts that use their rigs to escape on epic adventures, and proudly share the #GXOR, this concept build is for you. Thank you for inspiring us to Experience Amazing.
