TOKYO (Oct. 10, 2019) — Lexus will premiere its battery electric vehicle concept at the 46th Tokyo Motor Show from October 23 through November 4, 2019.

Leveraging continued advances in technologies such as electrification and autonomous driving, the electrified concept offers a glimpse into Lexus' future vision, which caters to consumers who are equally passionate about driving and uniquely crafted luxury experiences.

Tokyo Big Sight International Exhibition Center

Press day: October 23-24

Special-invitation, Preview, and Official day: October 24

General-public days: from October 25 to November 4.
