

2020 Lexus GX

October 23, 2019

For drivers of the updated 2020 GX 460, being safe and looking stylish on either Rodeo Drive or Imogene Pass is a cinch. And thanks to an all-new available Off-Road Package featuring Multi-Terrain Select, tackling tough terrain is equally as easy. Adding extra peace of mind is GX's now standard Lexus Safety System+, completing Lexus' milestone of equipping all models with standard active safety equipment.
