

2020 Lexus GX

October 23, 2019

Image not found or type unknown

For drivers of the updated 2020 GX 460, being safe and looking stylish on either Rodeo Drive or Imogene Pass is a cinch. And thanks to an all-new available Off-Road Package featuring Multi-Terrain Select, tackling tough terrain is equally as easy. Adding extra peace of mind is GX's now standard Lexus Safety System+, completing

Lexus' milestone of equipping all models with standard active safety equipment.
