For holiday 2020, Lexus commissioned artistic murals at six dealerships across the U.S. for “The Art of the Driveway.” These large-scale murals created by emerging artists reflect the unique attributes of the communities where they’re located. Each one measures roughly 25’ x 10’.

Everyone is invited to help Lexus raise money for [Toys for Tots](#) this holiday. For each positive social media post using #GiveAmazing from December 1, 2020 to January 4, 2021, Lexus will donate \$200 per eligible social media post to Toys for Tots, up to a maximum total donation of \$100,000. Share your own driveway art and your favorite moments from the year using #GiveAmazing.
