

2022 LEXUS IS 500 F SPORT PERFORMANCE

February 22, 2021

As the first model in the new Lexus F SPORT Performance line, the IS 500 engine provides a boost in displacement and performance over the IS 350's 3.5-liter V6. With a push of the engine start button, its naturally aspirated 5.0-liter V8 engine roars to life, providing a not-so-subtle reminder that something special lies beneath its raised hood. The IS 500 is capable of delivering a 0-to-60 mph time of 4.5 seconds and has a manufacturer-estimated 24 mpg highway rating.
