For 2022, the Lexus RX 350L will showcase new exterior colors, the option to add fog lamps as a standalone option while still offering guests the first touchscreen multimedia display. Inside and out, the RX 350L will continue to exude modern luxury. Inside, an available 12.3-inch touchscreen paired with the remote touch pad

supports dynamic voice and navigation functionality. The Lexus Multimedia System includes advanced in-dash technology to simplify a guest's life, such as Apple CarPlay[®] integration for your iPhone[®].
