For 2022, the Lexus RX 450hL will showcase new exterior colors, the option to add fog lamps as a standalone option while still offering guests the first touchscreen multimedia display. Inside and out, the RX 450hL models will continue to exude modern luxury. Inside, an available 12.3-inch touchscreen paired with the remote touch

pad supports dynamic voice and navigation functionality. The Lexus Multimedia System includes advanced in-dash technology to simplify a guest's life, such as Apple CarPlay® integration for your iPhone®.
