

# 2023 Lexus RZ

February 03, 2022

As Lexus' first global BEV model, the all-new RZ marks Lexus' transition into a BEV-centered brand, and it embodies the unique Lexus vehicle design and driving experience made available through advanced, electrified technology. The utilization of a BEV-specific platform (e-TNGA), as well as a lightweight and highly rigid body, has enhanced the fundamental performance of the vehicle by achieving optimal weight distribution through ideal placement of the battery and motor.
