

2023 Lexus UX 250h

May 13, 2022

Image not found or type unknown

The new 2023 UX 250h brings urban dweller style and improved driving dynamics for the upcoming model year. Enhancements to the hybrid crossover deliver on what guests have been looking for with the addition of Lexus Interface, a larger touchscreen and Lexus Safety System+ 2.5. The vehicle will be on sale in late summer

2022.
