The 2023 Lexus RX, the fifth generation for the Lexus core model, is completely redesigned from the wheels to the roof rails, featuring a new global platform, two all-new grades, available Digital Key, Lexus Safety System+ 3.0 and Lexus Interface Multimedia System. While pursuing a unique identity for 2023, the redesigned model maintains what makes an RX an RX: a comfortable, quiet in-cabin atmosphere, refined ride comfort, excellent

grip and drive force control and confident driving enjoyment.
