

2023 Lexus IS 350

September 14, 2022

For more than 20 years, the IS has provided a dynamic bond between driver and machine for guests across the world. With the launch of the all-new IS in 2021, Lexus expanded on that legacy by sharpening the driving performance fundamentals through the introduction of Lexus Driving Signature, a key pillar for the Lexus brand. Then, in 2022, the all-new IS 500 F SPORT Performance brought an undeniable presence to the lineup with its naturally aspirated 5.0-liter V8 generating 472 hp and 395 lb.-ft. of torque.

The 2023 IS will build on that success by offering new standard features and additional luxury options.
