

2024 LEXUS NX 250

March 15, 2023

Image not found or type unknown

The 2024 Lexus NX is largely a carryover model from 2023. With four powertrain options, including two hybrid electric models, the NX provides elevated levels of refined driving performance, innovative design and advanced technology. New for 2024, certain interior color offerings have been enhanced to create a seamless interior. In

addition, certain interior colors have added color-keyed elements to the front and rear door panels.
