

2024 LEXUS LC 500 CONVERTIBLE

May 17, 2023

For the first time, customers can customize their own 2024 LC 500 Convertible with the new Bespoke Build option while also utilizing enhanced technology and convenience features including Lexus Interface displayed on a standard 12.3-inch touchscreen. The LC 500 Convertible also offers new color options including Ultrasonic Blue Mica 2.0 and Copper Crest (exterior) and Dark Rose (interior).
