Known for its superior value, powerful performance and exceptional craftsmanship, the IS continues to be a popular Lexus sedan for first time luxury owners. For 2024, the IS line broadens its available options with the addition of the IS 300 F SPORT and F SPORT Design grades. IS 350 will offer an available F SPORT Blackout

Package. And, back by popular demand, the Special Appearance Package will return on the IS 500 F SPORT Performance Premium grade in head-turning Blue Vector.
