

Test Your Knowledge of the 2024 Lexus LC 500

November 15, 2023

Image not found or type unknown

When it comes to the Lexus nameplate, the [LC 500](#) lives up to the iconic brand's legacy and its reputation for luxury, high performance and eye-catching design.

Built at the Motomachi Plant in Toyota City, Japan, the 2024 LC 500 family is equipped to take passengers on an exciting journey. With design upgrades including a new interior color, two new exterior shade options and a standard 12.3-inch touchscreen, these updated models – [LC 500](#), [LC 500h](#) and [LC 500 Convertible](#) – are following the tradition of thoughtful innovation paired with a human-centered approach that Lexus owners have come to love and expect.

What's more, owners can customize these vehicles to suit their style and accommodate their personal tastes with the new available Bespoke Build option.
