When Lexus launched in 1989, the brand set out to provide exceptional service, refined performance, and relentless innovation. That commitment was captured in the Lexus Covenant, a pledge to value the customer (the Lexus “guest”) and exceed expectations.

## *The Lexus Covenant*

*Lexus competes in the luxury automotive industry, the most prestigious race in the world. Lexus' history and experience has culminated in the creation of our automobiles, the finest ever built.*

*Lexus will win the race because:*

*Lexus will do it right from the start.*

*Lexus will have the finest dealer network in the industry.*

*Lexus will treat each customer as we would a guest in our home.*

*If you think you can't, you won't.*

*If you think you can, you will.*

*We can, we will.*

The Lexus Covenant continues to guide decisions made, all delivered in the Japanese spirit of hospitality known as “omotenashi”. This guest-focused mentality encompasses the Lexus experience by anticipating needs and elevating lifestyles. It begins the moment a guest considers a Lexus, continues once they purchase a vehicle at a dealership, and remains steadfast throughout ownership.
