

2025 LEXUS LC 500

October 04, 2024

Image not found or type unknown

The 2025 LC 500 and LC 500h showcase updated aesthetic and structural features highlighted by the introduction of Iridium as an exterior color option. Both coupe variants also receive additional front and rear underfloor braces for increased rigidity, while the LC500h adds a carbon fiber scuff plate as part of the Sport

Package.?
