2026 LEXUS LC 500 CONVERTIBLE

July 18, 2025

Image not found or type unknown

The 2026 LC 500 Convertible receives minor updates for this model year with changes including the addition of a new Inspiration Series model limited to 350 units for the North American market. The package comes with the new-to-LC color, Wind, paired with Saddle Tan and White semi-aniline leather seats, along with blacked out

exterior elements and unique center console badging.
