Over the last few years, Lexus has been carving out a name for itself in the rugged, adventure-driven world of overlanding.

With the introduction of overland-ready grades and a growing catalog of off-road accessories, Lexus vehicles provide refined comfort and unmatched class — and they can go almost anywhere, too.

Leading this charge is the 2025 Lexus GX 550 Overtrail, an SUV engineered with off-road exploration in mind. The GX 550 features full-time 4WD system and Torsen®* limited-slip center differential with locking feature, Multi-Terrain Select, and an Electronic Kinetic Dynamic Suspension System (E-KDSS) designed to help tackle tough trails. It’s a statement that Lexus can deliver serious capability without compromising its luxury DNA.

The 2025 Lexus LX 700h Overtrail appeals to adventure-seekers who also appreciate the finer things in life. With front and rear locking differentials, 33-inch all-terrain tires, and available front massaging seats and an integrated cool box, the LX Overtrail is an option for long-haul overlanding trips with a luxury twist.

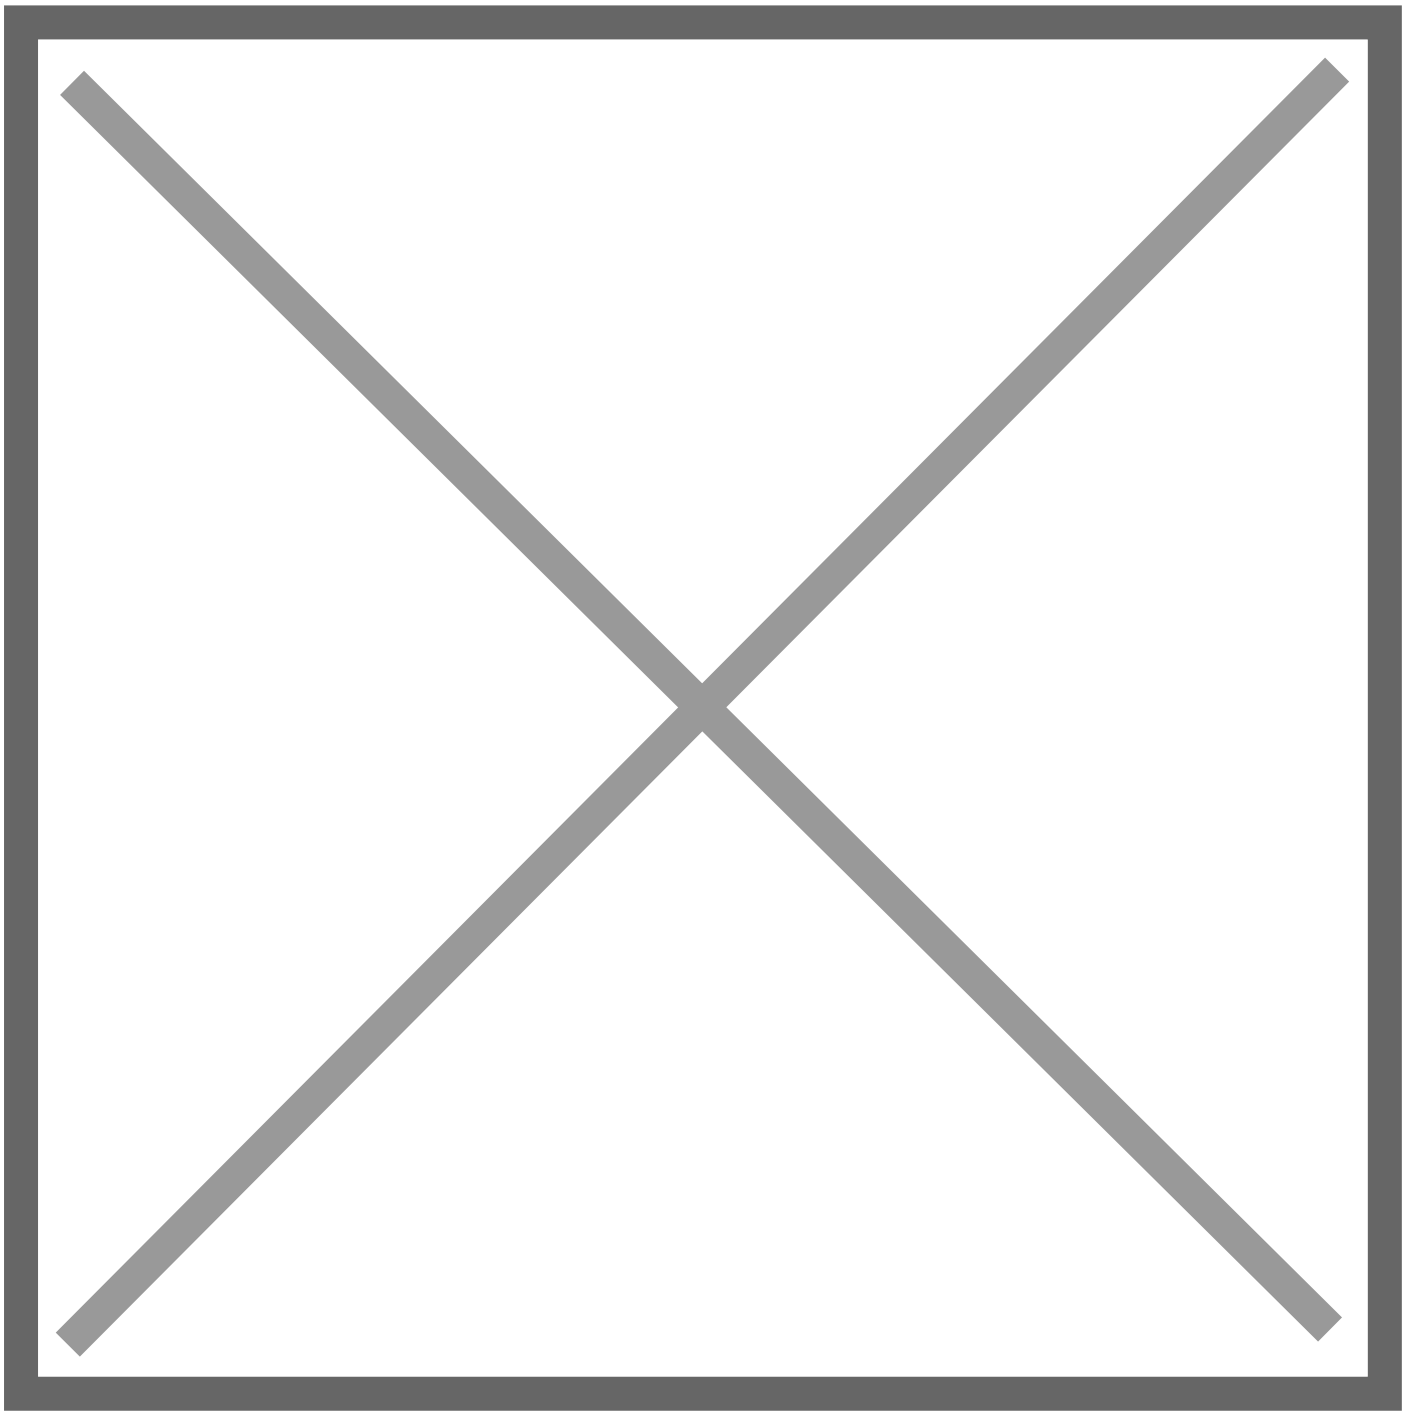

Below, find some of the accessories that help to elevate any journey across a variety of Lexus vehicles.
