For a quarter-century, the IS has bestowed performance, design, and driving passion – honoring the legacy that the Lexus IS has built within the automotive community. New for 2027, the Lexus IS is getting a new special appearance package. Built off the IS 350 F SPORT, the new package introduces a striking new green exterior

color called Envious and 19-inch black BBS forged alloy wheels. Inside, the cabin features black NuLuxe®-trimmed seats with Ultrasuede inserts, accented by green stitching and satin chrome-finished trim.
